## *This and That*

Good Morning,

I hope you had a wonderful and restful Spring Vacation. I had a great time in Tennessee visiting my son who is in college there. Of course I loved seeing all of our friends who recently moved there from Chico.

The teachers and I are looking forward to this last quarter of school with the kids. Friday, April 7 is the last day to receive the \$50 registration discount. All forms and payment (registration fee) need to be completed in order for you to receive that discount. Please remember that your child is not considered registered until all of it is completed and submitted. As of right now we have 77 students whose parents have either started or completed the registration process. Thank you.

Lastly, attached to your Newsnotes you will find an article entitled *How Phones Affect Empathy in Kids*. Every morning, the teachers have worship together; we take turns sharing a devotional thought, or a meaningful story or Bible text, and then we pray for our kids, our parents, each other, and our special prayer requests. Before we went on break, Mrs. Miceli shared this article with us and we thought that it was very insightful and the message was really important. We wanted to share the article with you and hope that you find it helpful too.

Have a great week!  
Blessings,  
Mrs. Bartsch
