## Homework & Class Information---

### Music

April 17 - April 21

**Ms. May - Grades 3 & 4**

Beginners will be quizzed today on Au Clair de la Lune, in second position. We will continue to work on our chords and improvisation skills. Their Weds homework will include a sheet for writing down the musical ideas they like the best. It would be helpful if you also read it to reinforce the assignment. They are not meant to create a masterpiece, just jot down short groups of notes that they like the sound of together, in order to develop their musical memory.

Intermediate group is preparing to perform for the Education Sabbath! While we are also working on our improvisational skills, this week we will focus more on How Great Thou Art and One Day, as well as practicing our basic performance skills (smiling, carrying music stands, deciding on our new band name, etc.;). I know they are looking forward to playing for you!
