This and That

Good Morning,

Thank you to everyone who came to Education Sabbath to support our students and enjoy their wonderful performances; I was truly blessed by them. Also, thank you to everyone who came to the pancake breakfast that supported our Lego Robotics Team.

Thank you for taking the time to share your insights on the recent Graceworks Survey. The great news: **our parents are happier with our school than parents at 96% of other Christian schools in the U.S.** They are specifically happy about how we focus on developing Christian character in our students, the academic program and our teachers. Of course, there are also a few things we can improve which we will be reviewing and planning for this summer. We will share our plans for next year's improvement at our Back to School Night in the fall.

Have a great week!

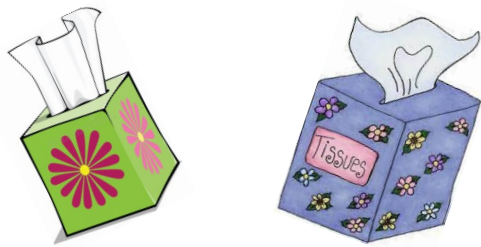

Mrs. Bartsch

Color Fun Run is this Sunday, April 30. Students arrive at 9:30 and need to be at the START line by 9:45am. Running starts at 10:00am. This event is an attendance day.

Thank you to Stabel Eye Clinic for sponsoring our event. It will be a great event!

***Pledge forms are due Friday the 28th.**

Thank you parents for your donations. We greatly appreciate it!

May 8 – May 12

Teacher Appreciation week is quickly approaching. Let's shower our awesome teaching staff with special acknowledgements!!

A huge thank you to all that supported the pancake breakfast. We are excited to announce we surpassed our fundraising goal. Not only will we be making it to Florida, but we are able to plan for the future of robotics and upgrading some old equipment!

Itinerary information and more details of the Florida trip will be sent out this week.

Home & School

For Home & School next year we are looking to build a board of several people in order to split up the tasks. The hope is that the commitment will be more welcoming to people interested in helping and allow the home & school board to serve COAS even better. Please see the attached list of roles and consider if you could take on one of the roles. If you are interested or have any questions please reach out to Sarah, 530-519-2268 by the end of April.
