Music

Ms. May - Grades 3 & 4
May 15 - May 19

We are ramping up for our spring performance, so for the most part your students know what they ought to be practicing - and I hope they are practicing!

If it is not already in your calendars, our performance is taking place on Wednesday, May 24th. I will find out more about dress rehearsal timing this week, and will let you know if it is not taking place during regular school hours.

Beginners are working on Au Clair de la Lune in F. I do have two beginners who are interested in playing this in the second position, and transposing down to D with the intermediate students. I am working with them to confirm this is achievable by our performance date. They are also practicing Try Everything - working on changing chords consistently and smoothly, and strumming with a free and relaxed right hand.

Intermediate students are keeping sharp on Au Clair de la Lune in both F and D, practicing their singing and pronunciation on Malie's song, and practicing their picking and strumming patterns for How Far I'll Go. As a group, they are also creating an introduction to each song that will inform and entertain.

Mrs. Poblano - Grades 5 - 8

May 15 - May 19

Hello parents of 5-8th grade,

We are wrapping up our school year and I want to again thank you for the opportunity to work with your kids and create a lot of musical memories. Our Spring Concert is coming up on Wed May 24 in the school gym. This is a secular concert that is fun for all ages and this year the kids have been working hard on learning parts. The theme is A Night At The Movies. I want this to be a fun evening and told the kids the theme and I would like them to dress up as movie characters if they choose to. I do not expect anyone to go out and buy a costume or to feel like they need to purchase anything for this. They can get creative with what they have at home. I am fine with pretty much any type of character that is appropriate for a school activity. What we do not want are inflatable costumes, masks, scary costumes including horror, Halloween themes, etc.. If you have a question please email me or speak to their teacher. It does not need to be anything fancy, but if your child wants to go all out that is perfectly fine. If they do not wish to "dress up" then they can wear whatever they would wear to school (think high school musical), an athlete, wear aloha shirt, really anything that is movie themed at all. Again, I do not want this to be a stressful thing nor something you have to buy. We will be having concessions after the concert and I will need some room moms to help with popcorn, cookies and refreshments. Please let me know if you can help or have any questions.

Thank you,
Joanne Poblano
