This and That

Good Morning,

Well, we made it to the last few days of school. I wanted to take a moment to express my gratitude for the wonderful school year we had together. It was truly a pleasure to work with your child and watch them grow and learn throughout the year.

Thank you for the trust you placed in us and for your ongoing support and enthusiasm for your child's education. Your active participation in your child's learning journey has made a significant impact on their progress and success. It's been such a joy to watch each of them learn new skills, achieve academic milestones and most importantly, develop the Christian Characteristics we have focused on this year.

Together, we created a positive and supportive learning environment for your child, which I believe is key to their motivation and engagement in the classroom. You have amazing kids, and it's an honor to be their principal.

Wishing you a wonderful summer break and I look forward to seeing you in the fall.

Blessings,

Mrs. Bartsch

Home & School

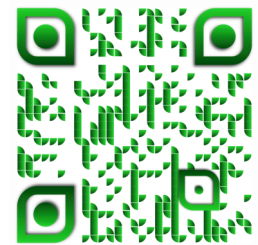

Welcome to the last week of school! It has been a year full of fun and good memories! Remember this week we have our all school swim party on 5/31 at the Durham Pool from 12:30-2:30. On Friday there will be signs in front of the school for kids to take pictures with for their last day. We will also be having a yearbook signing time for the kids right after chapel. If you didn't order a yearbook, check with the office as they will have a couple extra on hand.

I have really enjoyed getting to know all of you and I am beyond grateful for this school! Next year Home and School is going to be headed up by Mindy Honea (round of applause!)! She will also be joined by Stacy Grau and Erin Frye. We are still looking for a couple more people to make up our home and school team. Contact myself or Mindy if you are interested!

Have a wonderful summer and we will see you all in the fall!

Music

Ms. May - Grades 3 & 4

May 30 - June 2

Happy last week of school, everybody!
We hope you enjoyed last week's spring concert, and will be asking your students to show off their new skills by playing (or singing) for friends and family over the summer holiday.

I will be collecting the Chico Oaks ukuleles to go back to the school this Wednesday.

A few students have requested to take home a ukulele for the summer. I definitely want to support any students who wish to do this, so I will be bringing a few of my own starter ukes with me to school on Wednesday. If your child has not specifically requested this but you would like them to borrow one, please contact me at sustainablesound@gmail.com to request one.

It's been a pleasure working with all of your 3rd and 4th graders this year! I congratulate the 4th graders on moving up to 5th grade band next year, and am so looking forward to another year with the rising 3rd graders/soon to be the new 4th graders!

I hope you all have a blessed and musical summer!

Mr. Eli - Band

May 22 - May 26

It has been a privilege to have been asked to help teach your kids this year. I hope I was as helpful to the school as this was for me. Encourage your kids to keep practicing! Have a great summer.

Mrs. Poblano - Grades 5 - 8

May 22 - May 26

Last week wrapped up what was a pretty special year in music. The kids did a fantastic job at the Spring Concert. I was very pleased with their performance and willingness to dress up. We had a fun year together and I will miss the 8th grade

class. If this is your first child going to high school my advice is just breathe, pray a lot and let your child grow and learn from making mistakes. You will make it! My third and youngest graduates this week and it has been such a wonderful journey. Next year will look a bit different for music. The new teacher will be taking over band and choir and I will be teaching Stick Ministry, Drama and possibly a Flag Team if there are enough students. This will be offered on Fridays and will be open to any student that wants to participate. We will be doing quite a few performances in our church and in surrounding churches that have invited us to come and minister to them. I am very much looking forward to next year and have lots of songs and ideas to incorporate into our music program at COAS. You have an amazing group of kids and I thank you for the opportunity to work with them as we learned together. Have a wonderful summer and see you in the fall.

Sincerely,
Joanne Poblano
