### **Signing You and/or Your Student In or/out at School**

Policy is that every time you enter campus you will sign in and when you leave you will sign out. You will sign your student back into school if you have taken him/her off campus during school hours and are returning him/her to school.

If you enter campus any other way than the front door, you will come to the office and sign yourself in and sign your student in or out, accordingly. Entering other than the front door does not change the sign in/sign out policy. Policy is in effect for everyone.

This week in basketball we will continue to hold practices in preparation for games that will begin the week after Thanksgiving.

Boys:

Monday (TODAY)—Practice 6:15-7:30

Wednesday—Practice 6:15-7:30

Girls:

Monday (TODAY)—Practice 3:15-4:30

Thursday—Practice 3:15-4:30

Thank you to our coaches and their assistants who are helping our students develop both their basketball skills and their character. We have had quite a few students interested in playing this year, which is fantastic! Please be patient with our coaches as they adjust and make plans for involving all the student athletes as best they can. Go Eagles!

School board meets Thursday, November 16 at 7:00pm in classroom 4. Parents are welcome to attend.

**November 13 - 17th**

**BASKETBALL T-SHIRTS/HOODIES:**

Thank you all for getting your order forms into Carina for the Chico Oaks Basketball t-shirts, hoodies, and duffel bags. They will be printing our order tomorrow and I will pick it up either Tuesday afternoon or Wednesday. Hopefully I will be able to get it sorted out and delivered to your student by Thursday of this week. Your FACTS account will be charged for your order.

For those of you **WHO MISSED THE DEADLINE AND WOULD STILL LIKE TO ORDER ITEMS, IT MAY NOT BE TOO LATE!** I've had a couple of parents reach out to me asking if they can still order. If we can get a minimum of 12 items together that we want, I can send in another order to print. Please know that these items will take a few weeks to get back. If you would like to order something, I will make sure Carina has plenty of order forms in the office by this afternoon. Please get in your order by Thursday, November 16, so that I can send it to the shop before Thanksgiving Break. Again, if we don't have at least 12 items, I won't be able to place the order. Thank you for getting those orders in ASAP. If you have any questions, you can call or text me at 520-5042. Thanks!

# Homework & Class Information---

## Music

**Ms. May - Grades 1st - 4th**  
**November 6 - November 9**

### Beginning Music and Motion: 1st and 2nd Grade

We will continue the rhythm game we started last week (quarter, eighth, and half notes).

The kids are also taking turns acting as harmony and melody leaders on different, with varying success. Practice makes progress!

### Ukulele 1 (Beginners): 3rd and 4th grade

We will continue to work on our C scale and work in pairs to ensure everyone is understanding how to play each of the notes. Practice is essential here. Mentally understanding how to make a note is no substitute for giving the body time to process and physically repeating the act of putting one's fingers on the correct fret and string.

The more one practices, the more the body remembers!

We will also continue First Noel and the harmony part (Uke II) of Bleak Midwinter.

I am beginning to separate the kids into partnership tracks. Those who have been practicing diligently and learning the material we have been working on will begin to take the lead melody parts in the songs we learn. Those who have practiced less, or who have been having more of a challenge with the material will begin to work on the harmony parts.

### Ukulele 2 (Intermediate): 4th grade

Those who did not get a chance to learn Long, Long Ago Variations will start looking at it this week. Those who did will review it.

We will also begin looking at some new chords in the key of Bb, and reviewing how to identify notes in that key.

They will have the song Hall of Fame by The Script to begin practicing by this weekend.

### **Thank you to all 3rd/4th graders!**

All the kids did a great job working on their art projects and engaging with residents at Amber Grove Place. Thank you so much for visiting and brightening the day of our seniors!

Props to our intermediate 4th graders, who also played three Christmas songs. Thanking for bringing the joy of music into their home!
