Beginning Music and Motion: 1st and 2nd Grade

This week we are working on lots of cross body motions and coordination within a team or small group. By now most students have the EGBDF treble clef song memorized. It starts with "There was a staff that had a clef..." - ask them to sing it for you!

We will also continue with the second verse of Higher Than the Sky.

Ukulele 1 (Beginners): 3rd and 4th grade

We will have an individual assessment on Wiegenlied this Monday, on both parts.

We will also continue to learn the harmony part for In the Sweet By and By.

Ukulele 2 (Intermediate): 3rd and 4th grade

This week is all about squish practice and chord melody analysis.

We will continue to work on learning the chord melody part to In the Sweet By and By, as well as our finger strength training exercises to improve our Bb chord and prepare for bar chords.

Character Trait Corner – More often than not, kids like to know what everyone is doing before making their decisions. Whether this is because of insecurities of not wanting to stand out, or just not caring and wanting to go with the flow, who knows. What this does, however, is take away focus from their own path. God has set a path for each of us and we need to ‘run the race that is before us’. This can take grit and perseverance, and strength, and humility, all traits we all need to work on. We will be talking about not following the pack, but searching and listening to where God is leading each of us.

Albion: Please make sure your permission slips are turned in! We leave in 1 week!

Bible: We are finishing Leviticus on Monday and moving onto Numbers.

Math 7: 7.1-7.2

Math 8: Ch 7 test Monday, 8.1-8.2
