This and That

Good Morning,

This week marks the end of the 3rd Quarter, so all student work must be submitted by Friday. After Spring Break, we will have just 9 weeks left in the school year. Time has flown by, but it has been a fantastic year!

Thank you to those who have registered. We are eagerly anticipating a phenomenal 2024-2025 school year, and our dedicated classroom teachers are committed to maintaining their excellence at their respective grade levels. However, there is one change in the grade assignments:

- Mrs. Moon: TK/Kindergarten
- Ms. VanHook: 1st/2nd
- Mrs. Miceli: 3rd/4th
- Mrs. Lauderdale and Mr. Linhares: 5th/6th
- Mr. Raj: 7th/8th
- Mrs. Philips: Art

Notably, Mr. Raj is transitioning to 7th and 8th grade, returning to where he began his teaching career. I have no doubt that this summer he will be diligently planning a range of advanced and innovative activities for the upcoming year to equip his students for high school. In 5th/6th grade, we have a dynamic duo: Mrs. Lauderdale and Mr. Linhares. Mr. Linhares, with extensive experience in these grades, is enthusiastic

about reconnecting with this age group. Likewise, Mrs. Lauderdale, no stranger to this grade level, is already exploring exciting field trip ideas. The energy and creativity they bring promise to be an engaging and enriching experience for our students.

I am excited about the upcoming academic year and the continued dedication of our teaching team.

Initiating the registration process promptly is crucial for effective staffing planning in the next academic year. Of course, our desire for all of our students to return, but if you are choosing not to come back, please let us know. Upon receiving your enrollment packet, kindly mark "not enroll" if applicable, as this information significantly aids in our planning efforts. Your input is essential to ensuring a smooth and successful enrollment process. Thank you for your cooperation.

Have a great week!

Blessings,
Mrs. Bartsch

Homework & Class Information---

Music

**Ms. May - Grades 1st - 4th
March 18 - March 22**

Beginning Music and Motion: 1st and 2nd Grade

We are continuing to practice Higher than the Sky - if you haven't seen it yet, ask them to show you over spring break! The song is on YouTube by Gateway Kids. We will also practice our EGBDF notes and Do Re Mis.

Ukulele 1 (Beginners): 3rd and 4th grade

This week we will solidify our part on In the Sweet By and By, singing and playing our harmony part. They should be able to practice this on their own over spring break. Those who want a challenge will be adding their C and F chords in on the first beat of each measure while still playing the melody notes.

We will work on our F scale up the neck with Johnny on the Woodpile, learning our new playing position.

We will play through Sky Full of Stars and practice our chords - G, D, Dm, Am, Em, F and C, and begin work on the intro and chords to Million Dreams.

Ukulele 2 (Intermediate): 3rd and 4th grade

Squish practice should be continuing at home as students build up their forefinger muscles in order to strengthen their bar chords.

We will continue to play through our songs for Education Sabbath, and write introductions for ourselves and our songs.

We are also beginning work on Million Dreams - being able to pick and sign the intro and the verse, and those students who are interested in doing extra work will begin working on the bar chords and strum for Happy.

Mrs. Lauderdale – Grades 7 & 8

Mr. Linhares

March 18 - March 22

Character Trait Corner – Albion was a great time to recharge. The kids played, worshiped, explored, and tested their limits. On an adventurous hike, kids leaped across the stream, many getting their feet wet. While crossing a stream doesn't seem like that big of a deal, for some of the kids it was a frightening experience but one they challenged themselves to do. Grit was on full display during the hike and the entire trip. These kids have what it takes to meet the challenges of this life, knowing that God is by their side.
