This and That

Good Morning,

I hope you had a great weekend. It looks like this week will be a beautiful week of sunshine.

On Thursday, we will have a minimum day to facilitate parent-teacher conferences. Unlike the fall conferences, where we strive for 100% participation, the spring conference period is dedicated to addressing specific concerns or questions regarding your child's academics or classroom participation. Should you wish to schedule a conference, kindly contact your child's teacher.

For those unable to attend conferences in person, please anticipate receiving your 3rd quarter report cards via email on Thursday afternoon. Beginning next Sunday, you will receive weekly progress reports for the 4th quarter.

Thank you to all who have completed your enrollment for the upcoming year. Your participation greatly assists us in planning and allocating resources effectively. Please note that the deadline for the registration fee discount is April 15.

Have a wonderful week!

Blessings,
Mrs. Bartsch

Music

Ms. May - Grades 1st - 4th

April 8 - April 12

Beginning Music and Motion: 1st and 2nd Grade

We're excited to be back from break this week! We will be revisiting our EGBDF notes, our cross-body motions, and our Do Re Mis. We will also practice our moves for Higher than the Sky.

Ukulele 1 (Beginners): 3rd and 4th grade and Ukulele 2 (Intermediate): 3rd and 4th grade

We will be collecting our sheets from our practice competition over spring break, and going over some of the concepts we were working on learning last quarter.

On Monday I will be going over their music grades with them, one on one.

Afterwards, we will check on how students are doing on both of their performance pieces as well as their additional homework from the break.

Both classes are working on their chord shapes, finger dexterity, and finger strength.

Ukulele 1

Students are working on moving to and from their chords steadily, without looking. We will also see how they are doing as they move their F scale up the neck with Johnny on the Woodpile, and trying their chord melody on Sweet By and By.

Ukulele 2

We are continuing to focus on squish practice and becoming more comfortable with bar chords.

We'll run through our songs for Education Sabbath, and see how everyone is doing on Million Dreams and the more challenging chords to Happy.

Character Trait Corner – Grit, it is what we need to deal with challenging times. As we are reading Numbers, we are reminded of the challenging times that God's people faced after leav-

ing enslavement in Egypt. God was patient with them through all their grumblings and whining, we need to be patient with Him when things don't seem to go our way. We need to have grit to get through the difficulties and trust that His plan is far greater than ours.

Bible: We are in the book of Numbers. What a great book to read through as we discuss Grit!
