## Project Share

Every year Chico Oaks helps sponsor an elementary school child from Guatemala with our monthly offerings collected. Our student's name is Yaretzy Soto. Yaretzy is 13 years old and in the sixth grade at Liceo Dieguez Olaverri School in Huehue, Guatemala. Her favorite subject is English, favorite sport is basketball and her favorite Bible text is Proverbs 22:6. Yaretzy wants to be a baker when she grows up.

**Hot lunch is available for purchase every Wednesday starting September 7. Cost of hot lunch is \$5.00 per meal and will be applied to your FACTS tuition account. Look for hot lunch menus on your monthly calendars and every Monday in this box.**

## *This and That*

Good Morning,

I was happy to see so many people begin the DOJ process in order to volunteer at our school. Carina said that about 40 applications were processed. Great job everyone! The time that you give to our students and teachers is very much appreciated.

Now that we are getting into the swing of things, we will be adding in some of our extra curricular activities. We now have music teachers for all grades; music for grades K-4 will begin after Labor Day. Mrs. Phillips will be starting our ART program in September, the hot lunch menu is being planned, and electives for grades 5-8 will begin soon. Teachers are also beginning to schedule field trips and our Home and School leader is planning some fun and creative social events for our students as well as our families. Lastly, soon our middle school basketball teams will be organized. There are many exciting things happening here at Chico Oaks!

Next week on Sunday evenings, parents will begin to receive an automated FACTS grade report for their students. It is a great way to keep up with your child's progress and it makes report card time surprise free. If you do not find that you are receiving these reports, please check your spam folder and then if it is still not coming through, you can verify your email with Carina.

Have a great week!

Blessings,

Mrs. Bartsch

## School Directory

Please remember to turn in your school directory information sheet as soon as possible. Carina would like to have the directories published and in your hands no later than late September; however the sooner she receives your info the sooner she can publish it. Thank you.
