This and That

Good Morning,

I can't believe it is almost the end of the first quarter; eight weeks of school have gone by quickly. Last night I did not have the progress report go out because my teachers have a lot of grading to get caught up on due to students turning in late work; trying to get it done before the end of the quarter. Teachers can print out a "missing work" sheet for your student if you are concerned; just email your teacher and ask them to send one to you.

Next Monday we have a Teacher Inservice Day. Teachers will be meeting with their fellow teachers in our conference, sharing ideas, curriculum planning, and discussing issues pertinent to their grade level. This means your child has the day off of school. We will start the 2nd Quarter fresh on the 25th.

Next week is also our first Spirit Week. Please see the Newsnotes for details. It is a great way for students to show their school spirit and have fun being creative and showing their personal style.

We will end the month of October by having our Fall Festival. Please ask your room parent, teacher, or our fabulous H & S Leader, Sarah Blofsky how you can help make this fun day a success. Also, please invite your family and friends to join us. There is always good food and fun games to play. And just a reminder that this is an attendance day.

Blessings,
Mrs. Bartsch

Music

October 17 - October 21

Ms. May - Grades 3 & 4

We are continuing our review of September's songs and exercises, our pentatonic scale, and the ability to recognize when a note is in closed (requiring a finger on the string) or open (left hand free) position.

Students who practice regularly are beginning to pull ahead of those who have not, so by the end of this month we may split into groups based on skill level. Please ask students to show you what they have been working on and encourage them to practice.

They should be able to play part 1 of We Will Work Together easily by now; they are working on identifying and incorporating closed notes in 'Music's Everywhere' and part 2 of WWT above. For a challenge, see how they are doing on Lesson 3 Exercise 6 - if they haven't already practiced this, they should at least be able to look at each note individually and use their Note ID questions to figure it out.

Please help them remember to bring their binders and ukulele to class on Mondays and Wednesdays!

If you have any questions, you can contact me by text/phone at 530-520-3285 or by email at sustainablesound@gmail.com.

Thank you!

Mr. Eli - Band - Grades 5 - 8

At the end of this month I will be quizzing the students on the concert Bb major scale, which we have been going over in class.

I may have pop quizzes which require the students to have their instrument, music, and a pencil to get full credit.

If your child is struggling, I am available between 9:40 and 10 to work with them.

Make sure that they're practicing! It's super important if we are going to be successful! Please contact me at elijahrolfe@gmail.com if you have any questions.

Mrs. Poblano - Choir - Grades 5-8

We are off to a great start with August and September full of getting to know you activities and exploring music through vocal expression, bucket drumming, boomwackers, personal performances and even some M&Ms to keep life sweet.

As we transition into October it's full speed ahead on Christmas music and concert material. This group of students have not had a lot of choral training and according to them, many strongly dislike singing. Imagine my surprise when I picked a Christmas Piece with 4 solo parts and had 14 kids audition IN CLASS and IN FRONT of their peers!! I was so impressed with their courage and talent that I quickly had to pivot and add another song to our concert to include more kids who could sing solos. I have not assigned specific solo parts yet but will do so within the next week. Once those parts have been established I will tell the kids that they can practice their part at home by using the UTUBE video. Some of you may need to supervise your child with this but it is the only way I can have them practicing their part unless you can accompany them at home. If you have that ability to accompany your child while they practice and need a copy of the music please let me know.

We have a new additional performing arts class that is optional for kids to participate in Skits or Stick Ministry. This class will be by audition and I will be limiting the size to a small group of 5th - 8th that will meet at 12:15 starting Oct. 11. I have several pieces I would like to do over the school year.

I am giving you plenty of notice for dress code for Christmas Concert and Performing Arts class. **Here is the required dress code for these performances.**

Performing Arts

Same dress for all students. BLACK SLACKS and BLACK TEE SHIRT- no graphics or brand logo. PLAIN BLACK

Christmas Concert

Boys- BLACK SLACKS and WHITE COLLARED SHIRT (tie is optional but they can wear if they choose) BLACK SHOES AND SOCKS. NO SHORTS, SWEAT PANTS, HATS, TEE SHIRTS OR FLIP FLOPS.

Girls- BLACK AND WHITE ATTIRE. CAN BE DRESS, SKIRT AND SHIRT OR PANTS AND SHIRT. They will be up on stage and risers so please make sure length of attire is appropriate. Super short attire is not acceptable.

I am not expecting you to spend a lot of money on new clothes but it is important that the kids look fairly uniform in presentation.

It is a joy and privilege to work with your kids weekly. What a great bunch of humans you have! Looking forward to making some great music and memories together.
