## *This and That*

Good Morning,

Thank you to Sarah and all the parents who helped with our Spirit Week and our rally; the kids had so much fun! It was such a treat, and they absolutely loved meeting "Eddie the Eagle." He will be making appearances throughout the year at special events and sports games. Thank you again for making such wonderful memories for our students!

Another thank you to Julie, Sarah, and all our parents who help with the Fall Festival. Thank you for helping with games, setting up booths, cleaning up, selling school shirts, and providing yummy meals. It was so fun to see the kids having so much fun! It was a great afternoon.

Have a great week, the teachers and I are looking forward to seeing you all tomorrow at our P/T Conferences.

Blessings,

Mrs. Bartsch

### **JUNIOR HIGH BASKETBALL**

It's that time of year again when basketball season is upon us. We are very thankful to be able to offer basketball for our Junior High boys and girls! Del Sitanggang will be coaching our boys' team & Dan Kluis will be coaching the girls with some help from his daughter, Bella, as well as Hugh Gardner. Games will begin the week after Thanksgiving Break, so it's time to get practicing!

Boys: Your first practice will be THIS WEDNESDAY from 6:30-7:45 at the Chico Oaks gym. You will be given more details at that time as far as future practice schedule. Please BRING YOUR OWN BASKETBALL to practice. It should be the regular size (29.5"), not a Junior.

Girls: We are so thankful for the girls who have already said they want to play basketball. WE COULD DEFINITELY USE A FEW MORE PLAYERS, so if your daughter is in 5th-8th grade & would like to play, please let me know ASAP. Also, if I have left you as a parent a message asking if your daughter can play, please contact me as we still have a couple of

potential players unconfirmed. The coach is wanting to set up a practice schedule, but we need to know who all is on his team. Thank you!

If you have any questions, please call or text me at (530) 520-5042. If I don't answer, please TEXT me a message. Thank you! Joy Stabel

# Homework & Class Information---

## Music

**October 31 - November 4**

### Ms. May - Grades 3 & 4

This week the kids will continue their learning assessment / quizzes on the pentatonic scale in theory and practice. By Wednesday I will have divided the class into beginner and intermediate groups.

Many of the students that I am expecting to put into the intermediate level came into the semester with some music reading experience. Those who understand the notes and have practiced enough to learn their positions on the ukulele will easily make this group.

Those who had little to no music reading experience prior to this school year are likely to remain in the beginner level. This is as it should be, for they are beginners! It is not a judgement on their efforts.

Having the groups divided by level will help me continue with each group at a pace that better suits that group.

Practice makes progress in both groups, so please continue to encourage your student to practice and show you their results. Thank you!

### Mr. Eli - Band - Grades 5 - 8

Now that we're getting into the second quarter, I will be having a little bit more assignments and quizzes. I also want to remind you that the kids cannot participate without their instruments, so no instrument will count as an absence.

#### Beginning Band

Quiz November 21/23

#27, 29, or 33

#### Advanced Band

Find a video performance of a professional on your instrument that you enjoy. Include:

1. WHO is the performer?
2. WHAT did they play?
3. WHY did you like it?

#### Due Nov 7

(Thanks to the students who have already completed this!)

## **Mrs. Poblano - Choir - Grades 5-8**

As we transition into October it's full speed ahead on Christmas music and concert material. This group of students have not had a lot of choral training and according to them, many strongly dislike singing. Imagine my surprise when I picked a Christmas Piece with 4 solo parts and had 14 kids audition IN CLASS and IN FRONT of their peers!! I was so impressed with their courage and talent that I quickly had to pivot and add another song to our concert to include more kids who could sing solos. I have not assigned specific solo parts yet but will do so within the next week. Once those parts have been established I will tell the kids that they can practice their part at home by using the UTUBE video. Some of you may need to supervise your child with this but it is the only way I can have them practicing their part unless you can accompany them at home. If you have that ability to accompany your child while they practice and need a copy of the music please let me know.

We have a new additional performing arts class that is optional for kids to participate in Skits or Stick Ministry. This class will be by audition and I will be limiting the size to a small group of 5th - 8th that will meet at 12:15 starting Oct. 11. I have several pieces I would like to do over the school year.

I am giving you plenty of notice for dress code for Christmas Concert and Performing Arts class.

**Here is the required dress code for these performances.**

**Performing Arts** Same dress for all students. BLACK SLACKS and BLACK TEE SHIRT- no graphics or brand logo. PLAIN BLACK

**Christmas Concert** Boys- BLACK SLACKS and WHITE COLLARED SHIRT (tie is optional but they can wear if they choose) BLACK SHOES AND SOCKS. NO SHORTS, SWEAT PANTS, HATS, TEE SHIRTS OR FLIP FLOPS.

**Girls-** BLACK AND WHITE ATTIRE. CAN BE DRESS, SKIRT AND SHIRT OR PANTS AND SHIRT. They will be up on stage and risers so please make sure length of attire is appropriate. Super short attire is not acceptable.

I am not expecting you to spend a lot of money on new clothes but it is important that the kids look fairly uniform in presentation. It is a joy and privilege to work with your kids weekly. What a great bunch of humans you have! Looking forward to making some great music and memories together.
