This and That

Good Morning,

It was great seeing so many of you at our Parent/Teacher Conferences last week. I hope you had a nice time visiting with your child's teacher. If you weren't able to meet, please contact your teacher so you can find a time to talk, get their report card, and go over MAP Testing.

As a reminder, this Friday there will be no school as we take the day to honor our Veterans. Over the next few days, our teachers will be talking with students about what Veterans Day means and why it is so important to say thank you to those who have served our Country.

Have a great week!

Blessings,

Mrs. Bartsch

Homework & Class Information---

Music

November 7 - November 10

Ms. May - Grades 3 & 4

This week we have divided the class into beginner and intermediate groups, based on the ease with which students are both reading music and playing their instruments. This will allow me more time to work with beginners to reinforce key concepts, and allow the intermediate students (many of whom had previous experience with reading music before we started the school year) to continue learning at a little bit faster rate.

The students have started their C scale (two new notes, F and B). They should also be working on their G chord and switching between chords with He's Got the Whole World in His Hands.

We will also begin learning some Christmas songs.

Practice makes progress!

Mr. Eli - Band - Grades 5 - 8

Now that we're getting into the second quarter, I will be having a little bit more assignments and quizzes. I also want to remind you that the kids cannot participate without their instruments, so no instrument will count as an absence.

Mrs. Poblano - Choir - Grades 5-8

As we transition into October it's full speed ahead on Christmas music and concert material. This group of students have not had a lot of choral training and according to them, many strongly dislike singing. Imagine my surprise when I picked a Christmas Piece with 4 solo parts and had 14 kids audition IN CLASS and IN FRONT of their peers!! I was so impressed with their courage and talent that I quickly had to pivot and add another

song to our concert to include more kids who could sing solos. I have not assigned specific solo parts yet but will do so within the next week. Once those parts have been established I will tell the kids that they can practice their part at home by using the UTUBE video. Some of you may need to supervise your child with this but it is the only way I can have them practicing their part unless you can accompany them at home. If you have that ability to accompany your child while they practice and need a copy of the music please let me know.

We have a new additional performing arts class that is optional for kids to participate in Skits or Stick Ministry. This class will be by audition and I will be limiting the size to a small group of 5th - 8th that will meet at 12:15 starting Oct. 11. I have several pieces I would like to do over the school year.

I am giving you plenty of notice for dress code for Christmas Concert and Performing Arts class.

Here is the required dress code for these performances.

Performing Arts

Same dress for all students. BLACK SLACKS and BLACK TEE SHIRT- no graphics or brand logo. PLAIN BLACK

Christmas Concert

Boys- BLACK SLACKS and WHITE COLLARED SHIRT (tie is optional but they can wear if they choose) BLACK SHOES AND SOCKS. NO SHORTS, SWEAT PANTS, HATS, TEE SHIRTS OR FLIP FLOPS.

Girls- BLACK AND WHITE ATTIRE. CAN BE DRESS, SKIRT AND SHIRT OR PANTS AND SHIRT. They will be up on stage and risers so please make sure length of attire is appropriate. Super short attire is not acceptable.

I am not expecting you to spend a lot of money on new clothes but it is important that the kids look fairly uniform in presentation. It is a joy and privilege to work with your kids weekly. What a great bunch of humans you have! Looking forward to making some great music and memories together.

In the case of math, once the chapter test has been given, no more assignments for that chapter will be accepted. Spelling sentences need to be completed by the test; literature review before the book is done; history activities before the next unit. This is to help your student not get too far behind, and to help us stay consistent with our grading.
